1010 Mobile Services Agreement Application

Things to know before you buy:

- Your Application and VAS Package Menu and Service Guide explain the mobile service, value added services or optional services you have subscribed to the "Service" and any applicable charges including your monthly charges, service fee, usage based charge (such as IDD and international roaming, top-up data packages) as well as Administration Fee (if applicable), and the entities responsible for providing those Services. Additional information about your Service and the address of our stores can be found on our website at www.1010.com.hk or our customer hotline at 2888 1010.
- The Mobile Service provided under your plan is a 4.5G or 5G service (if applicable, and depending on the service plan you subscribe to). In areas outside of our 4.5G or 5G coverage, you will be provided with an alternative available service which may be 3G or 4.5G Mobile Service. Actual speeds of Mobile Data and csl Wi-Fi service are considerably less than the respective network specifications and will be affected by your device, and many other factors outlined in your contract.
- Your Commitment Period (if any) will be described in your Application. You can terminate the service by giving us at least 30 days' prior notice. If you do so before the expiry of the Commitment Period, then you will need to pay the early termination charges described in the Application, and we may charge you for the full value of the premiums you received. We may amend or terminate the contract at anytime, but if it causes your material disadvantage or if it results in an increase in your monthly charges you have a right to terminate the Mobile Service without incurring any early termination charges.
